**Subject:** check-in on contingency measures for Portola PM2.5 plan

Hi-

As a follow-up to our May 14 call, I'd like to schedule a call to check-in on the contingency measures (CM) for the Portola  $PM_{2.5}$  plan. As you are probably already aware, the Center for Biological Diversity filed a complaint to compel EPA to "take final action either approving or disapproving the contingency measures" in the Portola plan. See attached. The primary purpose of the call would be to discuss status of the attainment CM and RFP milestone report.

Please let me know which of the following time slots would work for a 30-minute call.

Tuesday, July 9 3:00-3:30

Wednesday, July 10 2:00-2:30, 3:00-3:30

Thursday, July 11 9:00-11:00

Monday, July 15 11:00-12:00, 1:00-2:00 Tuesday, July 16 10:00-12:00, 1:00-2:30 Wednesday, July 17 2:00-2:30

Thanks
